HOMECOMING
WEEKEND

CLASS COMPETITIONS

Dearborn High's 1993 Homecoming activities included the Annual Class Competitions and Pancake Breakfast, along with the bonfire. This year was a little different in that we had the opportunity to meet some of the graduates from the class of 1943. They paid a visit at our bonfire and stayed to cheer on our football players during the big game. The results of this year's games had the Seniors bringing home the gold with the Sophomore class close behind. "The Class Competitions make Homecoming more fun and it gets more than just the football players involved," Said Senior Danielle Ventura.

Senior wheel barrow race champions Dean Haratsaris and Danielle Ventura get ready before their final race.

Seniors Nicky Foley and Jeff Neumeyer are happy with their performance after winning the water balloon toss.

Juniors Jason Terp and Ali Issa "pigging out" at the pie eating contest.

The Senior Class pulls their way to another win in the tug-of-war.

A GAME TO REMEMBER

The team displays its unity by sticking together after the game.

Paul Mazzara, Andy Hass, Danny Saleh, Jason Desentz, Bill Nagy, Coach Austin, Gary Sivyer, and Mike Berry prepare themselves for the game.

WEEKEND

DEARBORN VS. EDSSEL FORD

The 1993 Homecoming football game against Edsel Ford was a hard fought battle that was not decided until the final minute. The Pioneers came into the game with a surprising 4-1 record. Both teams played a great game and it came down to a last minute field goal attempt which was good. Although the final score read 17-16 in favor of Edsel, it was surely A GAME TO REMEMBER.

On the evening of October 9, 1993, Dearborn High had their Homecoming Dance. This year's theme was, "All Out of Love," a popular song by Air Supply. The night started with dinner for most couples, and then they went to the dance. Couples began arriving around 8:00 pm and left at 11:00 pm. Afterwards, friends gathered together and made the best of the Homecoming Dance of 1993, which will be remembered forever.

(L-R) Chrissy, Sheila, Andrea, Danielle, Dynelle, Amber, Gina, Jenny, Rebecca and Jessica are looking their best.

Paul Purcell, Mike McPhall, Brian Raymo, Damien Pakula are all dressed up for the "big night."

Yearbook

Creating Impressions...

This year the 1994 Yearbook staff has worked especially hard to bring the Yearbook together. To be on the Yearbook staff you need an open and creative mind and the willingness to work hard. The class teaches responsibility, the "meaning of deadlines," how to work well with others, and at the same time is a lot of fun. According to editor-in-chief Heather Bertouille, "This year's yearbook class has been having some rough times but we are starting to get it together." We concentrated this year on making the 100th Anniversary edition a very memorable one. The "Lasting Impressions" staff hopes that you will enjoy this yearbook.

Student Council at DHS is a group of students who represent the entire student body. They organize and plan different events throughout the school year and generally try to make DHS a better place. This year's '93-'94 Student Council consists of 14 students from each grade. They started off the year by going to Camp Dearborn for a weekend to plan the activities for the rest of the year. They completed their plans by putting together the Homecoming games, court, and dance, giving Thanksgiving baskets to less fortunate families, organizing Pride Week, being "Secret Santas" for the teachers at Christmas time, and organizing the '94-'95 Student Council elections. This year they also thought of and carried out new events at DHS. They put together a winter semi-formal dance, visited two children's hospitals at Christmas time, and, once a month, went around to each 1st hour class to update the rest of the student body on what they were getting accomplished. The '93-'94 Student Council once again had a successful year.

Debate is a formal, logical, and well planned method of arguing. Two teams, affirmative, and negative, taking opposing views, then hope for the best as a judge decides who presented their case best.

"I felt that this year's team did exceptionally well. Mrs. Braathen kept our spirits high, and the motivation for us was just being able to speak our own opinions without getting yelled at. The future looks bright for D.H.S debaters."

- Joe LaRussa.

"Lasting impressions in Forensics"

Forensics is a practice class for future lawyers, statesman, and salesmen, or a great way to improve storytelling skills. This class is an excellent way to express yourself in forms of speaking. Skills combined are storytelling, dramatic interpretation, and interpretive reading, so the students have a chance to familiarize themselves in each area. Forensics is also a class for students who feel comfortable speaking in small groups, not an entire auditorium full of people.

Video Impressions

WDHS, otherwise known as Dearborn High School News, is a group of high school teenagers who produce video reports on school related activities. The group is sponsored by Mr. Russ Gibb. The Students cover dances, award ceremonies, and sporting events. After they edit their tapes, a finished product is shown to students and staff in the lobby or cafeteria. "It's a great learning experience, and we are proud to be a part of the 93-94 yearbook, Lasting Impressions!" said Marc Liljegren.

The newspaper staff had class every 6th hour, and they met every Tuesday after school for paste up. There are many specific jobs for the Observer such as reporters, editors, and/or photographer. The editors made the final decisions on what would be printed. This year the editors were Jennifer Day and Scott Richardson. Reporters were Maris Brancheau, Jason Grabke, Katina Hamann, Joe Hamood, Katie Kehoe, Ryan Lazar, Jennifer Mitchell, and Jon Teefy. The photographer was Chris Novoselich. It took about 6-8 hours to put out an issue. The printing advisor was Mr. Tallent.

Impressions of Varsity Club

The Varsity Club consists of students who have earned a varsity letter involved in athletics at Dearborn High School. The club's primary goal is to promote school spirit. Activities of the club include holding a contest in which each class competes just by attending athletic events. The class who attends the most events and accumulates the most points was rewarded with \$100. Another activity of the club was creating the 100 Year Sport's Hall of Fame.

"The club realizes that the first year is always the hardest to get a lot of kids to join. Hopefully Varsity Club will continue to grow in the next few years."

N.H.S. , some impressive people

Leadership, citizenship, and scholastic abilities; these traits name a select few to the National Honors Society. "The interesting thing about the group is that there are so many requirements to get in," says Sarah Jayne Huber. There are many requirements needed to be inducted into the National Honors Society. Among those are a 3.5 G.P.A. or above, leadership shown in school, and community service completed.

Every year the National Honors Society holds a food and clothing drive for C.O.T.S. (Coalition On Temporary Shelters), and a blood drive for the American Red Cross.

Under the direction of Mr. Jeff Oshnock, the band practices many grueling hours to prepare for a performance. Such performances included marching at the football games and the Memorial Day Parade, and performing the Christmas Concert, Spring Concert, Jazz Show, and Cabaret. This year the band went to Toronto where they got to see behind-the-scene preparations for "The Phantom of the Opera" and other great attractions. The band got the money for the trip through their annual candy, poinsetta, and fruit fundraisers. Every year the Band also picks new drum majors to lead them in Marching Band and a few concert songs. This year's drum majors were senior Matt Rybka, and junior Kelly Przygocki.

Lasting Enthusiasm...

The '93-'94 Dearborn Pom Pon Squad has shown its spirit for the past three years and continues to show its pride at games and pep rallies. This year they competed in a few pom and dance competitions, including the Mid-American Pom Pon Regional Competition. They are hoping that all their hard work and dedication pays off as they strive for State Competitions.

Musical Impressions...

The Dearborn High Orchestra is another one of DHS's talented music groups. The class requires not only class practice, but practice at home also. The Orchestra works hard, is involved in various competitions, and at the same time is a lot of fun.

MUSICAL IMPRESSIONS

Chorus and Vocal Ensemble are two of the musical singing classes offered at Dearborn High. Chorus is offered to 9th and 10th graders. Vocal Ensemble is a continuation of chorus, but students must be eligible to take this class. The class deals with kids who are interested in the performing arts. The students perform in groups and in solo performances. "All of the kids who sing in these classes are quite talented. Some may even make it to the top one day," said Mrs. Madias-Kalasz. Maybe the stars of the stage in the future will be from DHS.

The Offtones is an all men's choir group which practiced every Wednesday morning at 7:00 under the direction of Maritsa Kalasz. The group has mainly performed songs from the 50's and 60's. The guys have always put on great performances, always making people laugh with their funny costumes. "I hope the underclassmen carry on the tradition of our group," says Jon Teefy, a senior Offtone member.

Top Row: Emily Gentner, Liz Lahooti, Ann Chrapkiewisch, Jenny Moreno, Liz Gentner *Middle Row:* Stacey Keenan, Misty O'Dell, Vicki Wooton, Sara DeVore, Annette Glisman, Liz Lysinger, Bree Rafferty, Mrs. Kalasz, Marcie Good *Front Row:* Cheryl Bashur, Candice Hoehner, Mary Fournier, Nadine Chaib *Not Pictured:* Anna Gleichauf

The DHS Women chorus group practiced every Wednesday morning at 7:00. They were also under the direction of Maritsa Kalasz, DHS's chorus teacher. They have sung at the Pops Concert, the Christmas Concert, and the Spring Concert. The DHS Women were very excited about their trip to Toronto in May. They had lots of fun and look forward to next year.

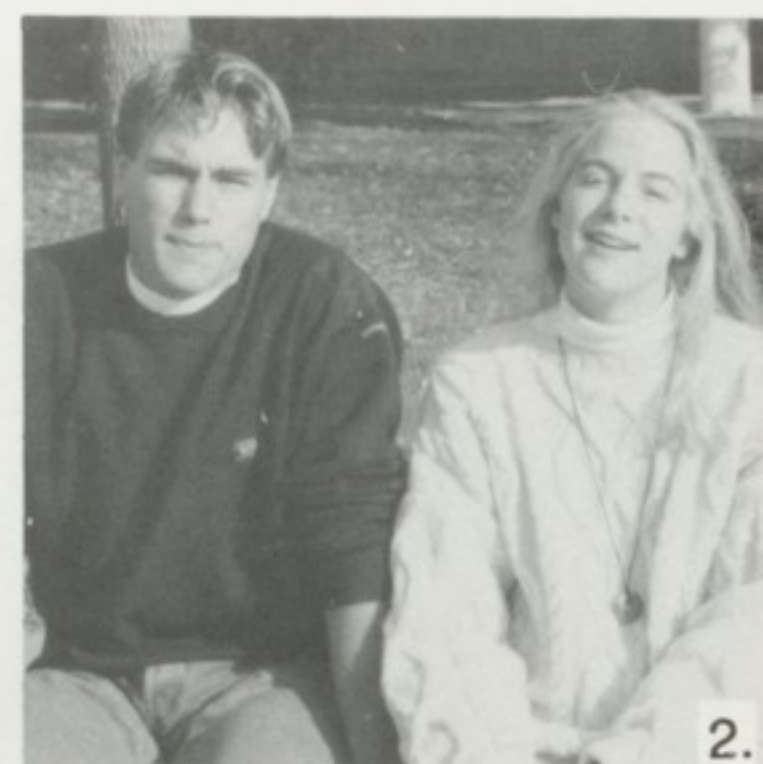

This year eight exchange students from all over the world attended DHS to experience one year in a different country with a different culture. They came here with Youth For Understanding, Student Travel Schools, or privately. The two main areas that fill the life of an exchange student are going to school and living with the host family. The school helped a lot in meeting people and making friends. Most of the exchange students got pretty well involved in such activities as Varsity Soccer, Vocal Ensemble, Thespians, Yearbook, Photo Club, Model UN and so on. It seemed that everybody found something he or she liked. Most DHS students and teachers were really friendly and helped them with all the problems that came up. Also, the host families did a great job and gave their best to make it a wonderful year for their "kid," and showed them American everyday life as well as exposed them to a lot of cultural and fun events on vacation or weekends. All of them really enjoyed being here and will have great memories. They'd like to thank all people at DHS who helped to make it a memorable time for them.

Close-up gives high school students the opportunity to discover and learn about our government firsthand. During one week out of the school year, students and teachers from all over the United States travel to Washington, D.C. to experience the political scene in the Capitol City. During this short week, students are given the chance to speak with senators, representatives, administrative officials and other important figures during question and answer periods.

Some Impressive Minds

Take an actor, an artist, and an architect, put them together, and you get a person suited for Odyssey of the Mind. O.M. involves creative problem solving, a skit-like presentation, and a great deal of team work. "We're hoping to make it to the world finals this year," says captain Chad Crombie. "I'm very confident of the team's ability."

World Wide Impressions

Model United Nations (Model U.N.) discusses some of the most pressing, and important issues facing other nations in the world. A conference, which is held at least once a year, allows students to represent these countries and discuss the issues. "We've already been to one conference this year," said Laura Waszczuk. "We did very well."

S.A.D.D. , Lasting Values

S.A.D.D. (Students Against Drunk Driving) is an organization designed to save lives and show students alternatives to drunk driving.

This group, which meets every other week in Teacher- Sponsor Ms. Cranfield's room, is run mainly by students. S.A.D.D. is devoted to the idea that educating people to the dangers of drunk driving can help in the war to save lives.

Every year S.A.D.D. sells red ribbons for their annual **Red Ribbon Campaign**. This campaign is used to help remind people not to drink and drive during the holiday season. Aside from the normal sale of baked goods at open house and parent conferences, S.A.D.D. is accepting pledges this year for the promise not to drink during the spring break vacation. "We're trying to do some different things this year," says S.A.D.D. president, Betsy Charboneau.

Thespian Troupe # 586 is DHS's theater group. The participating students spent much time learning their scripts, going to rehearsals, and working on the costumes, decorations, and the lighting. Before the play there were two to three hour rehearsals, Monday through Thursday. When it became time for the first play, they did a great job. They performed "A Mid Semester's Night Dream" on three evenings, giving the audience good entertainment with scenes from Shakespeare. After this play they busily prepared for the musical "Bye-Bye Birdie."

College Classes As in past years, DHS students took college classes at Henry Ford Community College. They attended such classes as calculus and band. As a student taking a college course, not only college credit, but double credit is given at DHS. This is why some of the students took calculus at the college instead of taking it at DHS. Taking a college class while still being in high school is a great opportunity, can be a challenge, and gives one the experience of what college is like.

The First Stop is DHS's school store. It is filled with popular DHS merchandise, such as sweat-shirts, boxers, hats, mugs, pennants, towels, and much more. The First Stop gives students many responsibilities. Each student is assigned to a station for three weeks, and then the students rotate jobs. Various job responsibilities include sales, merchandising, security, and promotions. The First Stop is a good class to take, especially if you plan a future in retail or business. It involves hard work, but is also a fun experience.

The Ecology Club is a very active group of students who care about our environment. They do such things as recycle paper at DHS, write letters of complaint to environmentally unsound companies, participate in the Earthfest Parade, sell suckers with the proceeds going to environmental causes, and work on installing other recycling activities for juiceboxes and styro-foam. It is a lot of work, but people who care have fun in participating.

SPORTS

NEW SEASON, NEW LEAGUE--

IT'S A WHOLE NEW BALLGAME

GIRLS' BASKETBALL

The 1993 Girls' Basketball team was very talented to say the least. The team was young and small, but this was not a problem for the girls. They started out the season with a trip to CMU's girls' basketball camp which proved to be very beneficial. It was the first year in the Michigan Mega Conference and the team did extremely well. They ended the regular season with a 15-5 record and captured the White Division League Championship with an outstanding 11-1 record. In the State Tournament the Cagers beat Fordson and Southwestern to become District Champs. The girls had a great year and one that won't be forgotten.

VARSITY FOOTBALL

FOOTBALL IMPRESSIONS

1993 was a bittersweet year for the Pioneers. They carried on their winning tradition, finishing 6-3, but just missed the State Play-offs. They started out well shutting out Churchill and Southgate. In the next game, they held Kennedy to six points coming from a kick return. With three wins under their belt, and a state ranked defense, the gridders headed into Garden City where they lost by two points in the last two minutes of the game. The next week at R.U. it was obvious they were down from their loss, because they barely beat a clearly inferior team. The next week they played a brilliant game against Edsel Ford, but still came up short, losing 17-16. The next two weeks brought them road games against Lincoln Park and Truman, but the Pioneers persevered and came home with two victories. The last week brought up a game with always-tough Wyandotte. Had the Pioneers won, they would've been only the second team in DHS history to go to the play-offs. Unfortunately, they lost 21-7.

BOYS' SOCCER

BACK TO BACK

Crushing all opposition, and winning League for the second year in a row, the Boys' Soccer Team had an excellent season.

"Everybody doubted us because we were going in to a new league, and lost most of our starters, but we proved everyone wrong and came out on top," said co-captain, Brian Zirbel. The team worked hard everyday. It would seem that their efforts make for fantastic results. The fact that the soccer team has won League for the second year in a row is a source of great pride to them. It may also be a contributing factor to the increased interest people are showing in this fast-paced and exciting sport.

Track Coach, Mr. Helisek, led the team to a successful season through hard work and dedication. "We were a very young and talented team. We shocked many schools with our ability. Coachs' Comments

This year's Varsity Golf team once again had another outstanding season, going 12-0 in the League, placing 2nd in the City and Regionals, and taking a respectable 10th at the State Meet in East Lansing. Even though graduation is taking five seniors from the lineup, that doesn't mean Dearborn won't be competitive. Ten Varsity contenders will be returning next year.

Practicing, Playing & Great Fun

They had a very good year considering they only had three seniors. The team had seven newcomers who fit in well and did a good job. Many people doubted them, but they showed them all. With only losing three meets, they even made it to the State Finals. What more could you expect from such a young team? Besides practicing and playing in tournaments, all the team members had great fun.

Captains
Laura Maura, Nikki Foley

"This was supposed to be a 'down' year for DHS tennis, having lost more than half our team to graduation, but it turned out to be a very successful one. All our newcomers stepped in and filled those vacated spots with poise, integrity and consistency. We will surely be looking forward to next season since most of them will return."

LASTING IMPRESSIONS OF BASKETBALL

The Varsity Basketball Team consisted of six returning players, all of which were seniors, and only one of those seniors was a returning starter.

The squad also included six juniors and one sophomore. Junior Jason "Kukoc" Wilmoth stated, "I had a lot of fun this year learning from such a talented group of seniors. They really helped me develop my game, and I plan to carry on their tradition next season." The group of young athletes had a new leader making the calls this year in Gene Snell. The Cagers did not start off to a great season, losing three of their first four games. This, however, did not last long. The boys won their next nine games, which entitled them to the League Championship in the White Division.

POWER HITTERS

The 1994 Baseball Season opened up in March, once again. This year D.H.S. has a whopping 30 game schedule. The team's coach, Chuck Baughman, must call upon all eight returning seniors to lead the team to a much needed winning season. The team is hoping for a Mega League, Blue Division Championship. This year looks more promising than last. With a little help from returning All League and City Captain, Gary Sivyer, the baseball team should complete their goal.

Halloween Horror Lasts

Dancing with the dead, galavanting with ghouls, and waltzing with were-wolves. That's right. It's the Dearborn High School Halloween Dance, and as other Halloween dances, it was a frightfully good time. As always there were prizes for the best costumes. First place was \$50, second place was \$20, and third place was a set of CD's. Third place winners were Jason Desentz, and Gary Si vyer, dressed as 70's disco jockeys. There was a tie for 1st, so there was no 2nd place winner. One 1st place winner was Brody Killian as a woman. Rebecca Watt, Carrie Wandless, Rochelle Rousos, Cris Bares, and Maria Buffone, who came decked as the troop from the Wizard of Oz, were the other 1st place winners.

(L-R) Rochelle Rousos, Rebecca Watt, Carrie Wandless, Maria Buffone, and Cris Bares won 1st place.

LASTING SPIRIT

Spirit Week was alive on January 10th to the 14th of 1994. Many students were excited to participate in Spirit Week. On Monday, students dressed up according to the color that was assigned to each grade. Tuesday, students wore hats and slippers. On Wednesday, people dressed up as twins. For the next day there were a variety of different costumes. Finally, on Friday, everyone dressed in orange and black as they cheered on the basketball team to another victory over Edsel Ford.

The teachers spike the ball over to the seniors, to try and win, but as usual, they don't succeed.

PABC and the Boosters have had a very rewarding year. With both organizations working together, they have accomplished many projects.

By getting other parents involved they purchased flags, and are trying to get a display case that will show off student's awards. They helped with the music programs, plays, concerts, sport banquets, the pancake breakfast, and the annual Homecoming Dance. With M & M, fruit, and poinsettia sales, the band students raised enough money to go to Toronto in May of this year.

Dearborn High would like to give a special thanks to all the parent and student volunteers for making DHS special events of the school year more enjoyable for everyone.

Fads n' Fashions come through the halls of D.H.S. each and every year. Some of them will last for more than a school year, yet others will pass, leaving only an impression. In the school year of 1993-94 we have seen many different styles. Girls in hats is a new fashion worn these days; but that still hasn't discouraged boys from wearing their favorite accessory. In foot wear, leather shoes have replaced the sneaker phase. For a casual but sporty look, young men are stylin' their favorite jeans, with a button down shirt and a tie. Gals are still quite attached to their denims, but they wear them well! The most obvious and traditional fashion is the Dearborn High Varsity Jacket. Fashions will come and go, but one thing you can count on is that the students at this high school will always be up-to-date with the current fads n' fashions!

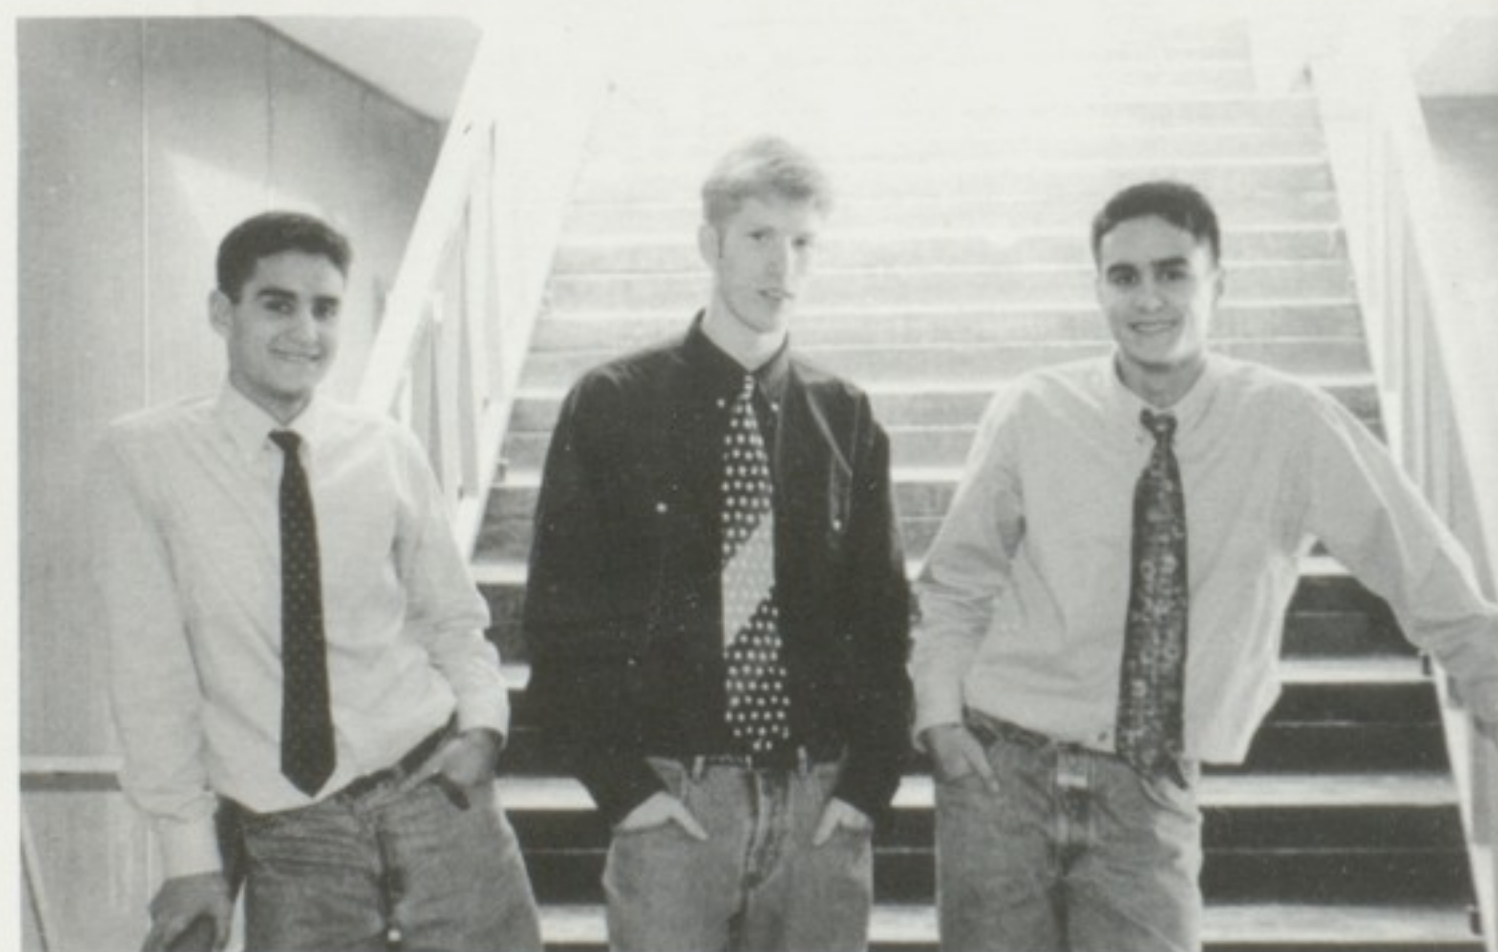

Varsity Jackets are always in fashion, as modeled here by a few Varsity Cheerleaders.

Students started showing up at 8:00 p.m. The guys wore jeans, with a nice shirt and tie. The ladies wore nice skirts or pants with a blouse. The night's entertainment was provided by a D.J. After the dance some students went out to eat; others went to a party.

fall play

Lasting Nights, and Impressive Dreams

Every year Dearborn High School puts on a fall play. This year's play stood up to the standards set in past years. The production of *A Mid-Semester's Night's Dream* was a hit. In this play, a girl must study the plays of Shakespeare for a test in English class. While this young girl is reading, she fell asleep and dreamed many of the scenes from Shakespeare's great plays. *A Mid-Semester's Night's Dream* takes scenes from such plays as *Romeo and Juliet*, *Hamlet*, *A Mid-Summer's Night's Dream*, *The Taming of the Shrew*, *Love Labors Lost*, *MacBeth*, and others. When the girl awakens, she finds a new love and zeal for the Shakespearean plays. By morning, she has read all of the plays and thoroughly enjoyed them. "It was very interesting and a lot of fun," said Annette Glisman, who played a French woman in a scene from *Henry V*.

On October 27, 1993, the Dearborn High Music Department hosted it's second annual "POPS" concert. This concert consisted of all the talented DHS musicians and singers. With the help of vocal director, Maritsa Madias-Kalasz, and instrumental director, Jeffry Oshnock, the Music Department was able to give a truly "knock-out" performance and provide a memorable experience for all those involved! As junior Liz Lysinger, who is a pianist and vocalist, puts it, "There was a lot of hard work involved, people had a great time, there was spirited teamwork, and it was really fun getting up on stage to do what you wanted to do!" Hopefully, next year we will be lucky enough to have as much talent as the people who participated in this year's "POPS" concert!

Best friends together in contemporary living.

THE DEATH BED

We watch'd her breathing thro' the night,
Her breathing soft and low,
As in her breast the wave of life
Kept heaving to and fro.

So silently we seem'd to speak,
As we had lent her half our powers
To eke her living out.

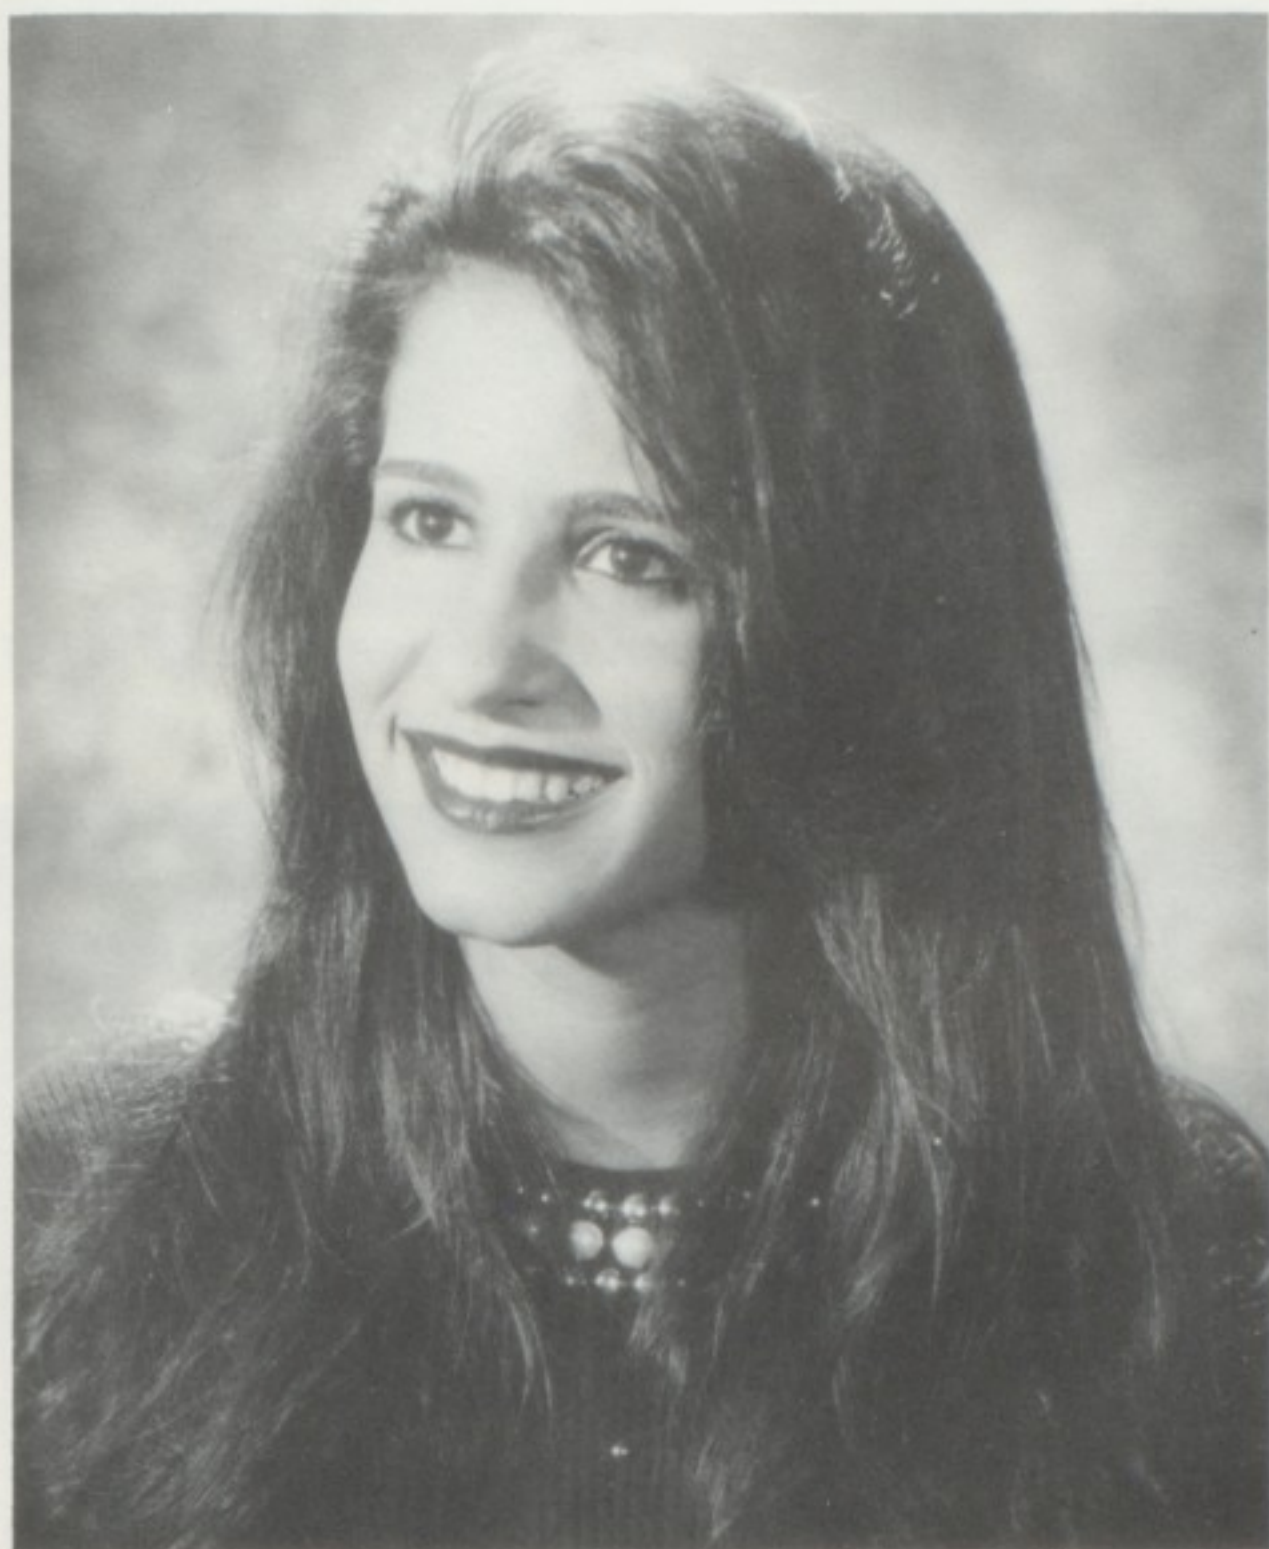

Our very hopes belied our fears,
Our fears our hopes belied--
We thought her dying when she slept,
And sleeping when she died.

For when the morn came dim and sad,
And chill with early showers,
Her quiet eyelids closed--she had
Another morn than ours.

A treasure always valued
The memory so painful
The loss of an individual
The scar so deep
A wound never to heal
A loss so tragic
Never to be forgotten
A nightmare so harsh
Never to awaken from
A feeling so frightening
Always to be remembered.

Dearborn High School 100 Years of Excellence 1893-1993

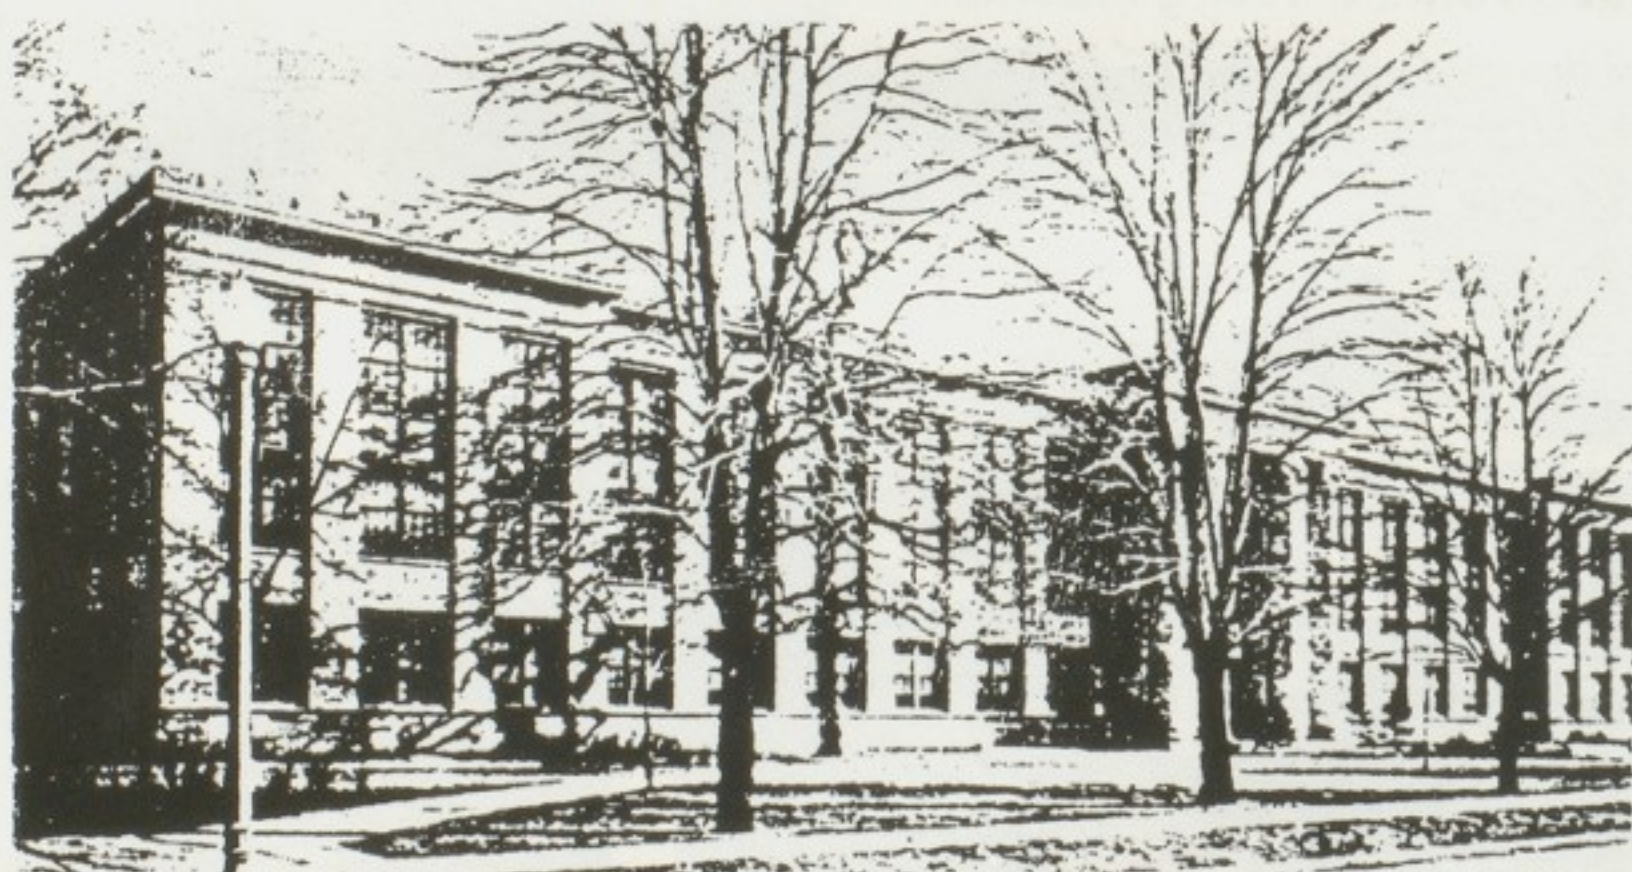

Dearborn High hit the century mark this year with the 100th Anniversary of the high school. The class of '94 graduates on the anniversary, but the class of '97 is the 100th graduating class. Many activities were held for the historic occasion. The football field was decorated in festive orange, black, and gold for the Homecoming Game, and the class of '47 was especially invited to attend the bon-fire and Homecoming Activities.

An Open House was held for all alumni to visit the high school, which is the third building to hold the Dearborn High School name. The first one was located on the corner of Garrison and Monroe. The second building, which is known to many of us as Adams Junior High, held Dearborn High students until 1956.

In 1957, the current building, which we have come to love, opened it's doors. From the first log cabin, of a school house, to the one that stands tall today, the sense of the learning environment has always been the same. 100 years of learning excellence combined into three glorious buildings.

Dearborn Public School, 1893-1926. Razed in 1928. First building to officially be called Dearborn High

Dearborn High School, 1925-1957. Second building to hold DHS name. Closed and was renamed Adams Junior High School in 1958. Recently the old building was renovated into a office plaza. Although its no longer a school of learning, it still stands tall today!

Spring Craft Show

Saturday, March 12
10 a.m. - 4 p.m.

The yearbook class this year started a whole new fundraiser. They put together a craft show. This is when exhibitors rent a table or space and set up their merchandise. Then we advertise to bring people in to buy their merchandise. The craft show was put together by Heather Bertouille, Farrah Baran, and Jennifer English. The show was a lot of hard work which meant many hours spent after school. The show was a huge success! We had approximately 700 people attend with 55 booths. The Booster Club handled the refreshments while the freshmen class sold beaded necklaces. Both organizations did well. This was the biggest, and most successful fundraiser ever put on by the yearbook class.

The Yearbook class would like to thank Mrs. English, Mrs. Baran, Mr. & Mrs. Bertouille, Mr. Hoey, Mrs. Allen, and the parent volunteers who helped in preparing and working at the craft show. We really appreciated your help! THANKS!

The craft show organizers, Farrah Baran, Heather Bertouille, Jennifer English, and Mrs. Baran.

The Booster Club helpers taking a break from selling refreshments.

Prospective buyers are checking out the merchandise.

The first four raffle winners, Verdella Faitel, Sandi Merrow, Fran Watts, and Mrs. Allen.
